We are voyagers and pathfinders at heart. What unites us?

Pacific Culture Festival and Reunion

26 the of June 2025 at Koncertkirken in København

Dear Pacific Islanders in Danmark and Scandinavia, families, communities and friends of the Pacific. We would like to invite you all to our Pacific Culture Festival and Reunion

We would like to talk about actual topics and challenges in the Pacific region, like consequences of climate change, protection of the nature on land and in the ocean and political, economic and cultural sovereignty and independence.

And we want to celebrate together with you all the good things, that unite us: the pacific way of life, music, dance, arts and traditions, families, communities and good food. 😊
